

Date	Location/Workflow	Issue	Notes
8/4/2026	Calendar Availability	Calendar to show availability is missing. Organizers should be able to view whether or not they are booked on the app.	
		Musicians should be able to enter gigs that were booked outside of ONLYGIGZ-into their calendar	
	Calendar Sync	Calendar should be able to be synced with calendar on cell/google calendar	
		Calendar	
	Notifications	The notifications aren't clickable-this should be able to take you the part of the app that its for	
		e.g. New Gig Match	
		Marking "Read" doesn't work	
	Discover Gigs	Filter isn't working	
		DO NOT PUT THE SOURCE on the feed (Facebook, Craigslist, etc) for the musicians to see in their feed. Let's name these scraped gigs: Gig Lead	Will define what a gig lead is in FAQs
	Messages	The Chat Bubbles need to be different colors and opposite sides of the screen (yall may have updated this already)	
PROFILE CREATION	Profile		
	Genres	Make a Spot for Primary Genre: Allow the musician to pick up to 3 subgenres: Country Rock Pop Hip Hop R&B Jazz Blues Electronic Latin Gospel Cajun / Zydeco Swamp Pop Soul Other.....	
		Instruments- add "Skills"
